From J. E. A. Jarr Equire,
~~THE~~ INSPECTOR GENERAL OF POLICE IN MYSORE.

To B. K. Venkataravadanur Equire,
~~THE~~ SECRETARY TO THE GOVERNMENT OF MYSORE,
GENERAL AND REVENUE DEPARTMENT.

Sir,

I have the honour to forward herewith copy of letter no 3063 dated 28th March 1905 from the President, Bangalore City Municipality, regarding a magazine, which is behind the Special Reserve Lines in the Fort. He states that the building having been in the possession, and in use of the Municipality since 1890, it is inconvenient to place the same at the disposal of the Police Department.

2. The stock of powder and ammunit
which

which has to be stored in Bangalore, for the use of the whole of the Police Force of the Province, is now stored in a room next my office. It was formerly kept in a room in the special Reserve Lines, but as this room has been dismantled, for constructing additional quarters for the men, the ammunition had to be removed, for want of a suitable magazine, to a room in the Chief office.

It is exceedingly dangerous to keep ammunition in the Chief office buildings, and I request therefore that Government will be pleased to order the President of the City Municipality, to vacate the magazine referred to, and place it at my disposal at once. If this magazine cannot be spared I must request Government to build a magazine for the Police ammunition at once.

I have the honour to be,

Sir,

Your most obedient servant

Sir,

With reference to your

used as Municipal Stores

to state that the building has
been in possession of the
Municipality since 1890 i.e.
long before the Reserve Police
occupied the present
buildings. There are such
huge racks in it and so
many

many things are stored that they are not easy of removal and even if they can be removed, there is no place where such a large number of articles can be shifted to.
